

Hip, Hip, Hooray! – More Land Conserved on Filucy Bay!

With your help, GPC will purchase 21 acres on Filucy Bay west of Gig Harbor this week.

We're creating a gem of a nature preserve in Pierce County! Together with GPC's existing 46-acre Filucy Bay Preserve, we've now conserved 67 acres of habitat for salmon, bear and birds and nearly 2,000 feet of shoreline on this quiet cove enjoyed by kayakers and nature lovers.
